## Drill News

*Drill at Del Mar...* The Drill Team had the honor of being invited to perform at the Del Mar National Horse Show at the Del Mar Fairgrounds during their Hunter Jumper Week. The girls presented a color guard, and a display of riding 'on the wire' to a stadium packed with people, and they did great! **Sabine Antall** rode "Sy", **Olivia Cohen** rode "Dimples", **Piper Suderman** rode "See Ya", **Tatum Rasmussen** rode "Sonny", **Sam Perry** rode "Happy", **Carlee Annis** rode "Jingles", & **Chloe Reifert** rode "Abba Zabba"! The girls also had terrific helpers: **Kayla Christian, Hayden Rimmer, Peyton Singer** and **Grace Carson!** The helpers made sure the horses were loaded safely in the trailers and followed them all the way home. **Jaime Geffen** and **Karli Postel** got to watch the performance with Nancy! A big thank you to the parents as well for driving the girls, and providing lots of snacks! Thanks to **Tracy Magnusson** for organizing the drill uniforms! The team truly appreciates each and every one of you!

*Pony Round-Up...* The drill team had a treasured and memorable weekend up at the ranch. The kids got to swim in the lake with the ponies, go on lots of trail rides, and explore with the Kubotas! There were s'mores and watermelon, and the neighbors all came down to visit for lunch! The ranch was so green this year, the sun was shining all weekend, and there were wildflowers all around! The team sang songs around the campfire, relaxed on the dock, and played a nighttime round of the Hunger Games! Some were even quick enough to catch a few frogs down by the lake! The girls really got to bond as a team and truly enjoyed the horses and the beauty of the land. Of course this wasn't possible without a little help... thanks to **Trish Rasmussen, Ingrid Antall, Angel Cohen, Beverly Christian,** and **Sophia Helm** for driving the kids up to the ranch, and a big thank you to **Andy Reifert** for helping to drive home all of the girls' luggage and sleeping bags!

**Billy Postel** – The drill team would like to thank you for everything that you do for the team. Thank you for getting the ranch ready for everyone, setting up tables and tents for shade, bringing out the rowboat, quad, and Kubota's for the kids to explore, keeping the fire going for s'mores, hauling the precious ponies home, and staying at Foxfield until everyone was back. You are so appreciated and we couldn't have done it without you!

## Sympathy

Our love and sympathy goes out to **Joann Postel** on the sudden passing of her beloved lab "Meggie Muffin". Meggie was born at Foxfield and spent her life living a Labradors dream, running free and being loved by all. She will be missed terribly.

## Gentle Reminders

*Please* don't drive past the parking lot unless you are driving in feed or your horse needs special medical care. There are lots of kids, dogs and horses at play, and cars belong in the parking lot!

Snakes are a fact of life. Be aware of where you are walking, and if you spot a snake, let someone in authority know. **Rattlesnakes are evolving, and some young ones don't have rattles!**

Summer is just around the corner... the days are getting longer, and warmer. **Please take your blankets home!**
