## Barn News

*Show some love...* For all the people that helped to make the 50th Annual Holiday Horse Show a success: Our Judges, **David & Holly Scapa, Shelly Postel** for running the show office, **David Aucoin** for announcing, **Stella Gage** for working at the school barn, **Susie & Janie Postel** for running the warm-up ring, **Billy Postel & the guys** for setting it all up and putting it away again, **all the parents and friends** that braved the cold to come and cheer on the riders, and all back gate helpers! The show was a huge success because of all of your hard work!

*Our heartfelt thanks...* To all who supported the Drill Team's Poinsettia Fundraiser and helped to make the clubhouse so beautiful this holiday season! We would also like to thank **Betty Cedeño** for expertly arranging all of the plants! They look great!

*Beware of acorns...* Acorns are poisonous in large quantities, and their sharp ends and shells can cause damage to the stomach and intestines, and cause colic! Horses like the taste, so please be careful and don't let your horse eat them!

*Deck The Stalls!*... The winner for the Foxfield Christmas Barn Spirit Award is: **Pony Island!** They had the theme of "50 Years Loved" This award is presented to the barn showing the most spirit and creativity with their holiday decorations.

**Texting while riding and lunging is dangerous!** It takes your attention away from your horse and surroundings, and can get you, other riders, and your horse hurt! If you see a friend texting, be a friend and tell them about this safety tip!
