## Barn News

*Hot off the Presses...* Our own **Jane Warden** has many talents and one of them is writing children's books! A copy of her published "Mystery of the Pink Bees" is in the Clubhouse for anyone to read. This very charming, colorful and fun to read book is sure to be a huge hit. Congrats Jane on all your hard work! If anyone would like a copy of the book, please see Jane. Books can be purchased for \$10, what a steal!

*No stirrups month...* Many tried their hand, or rather leg, riding without stirrups this month, but the winner was **Chloe Reifert**, riding the whole month without her stirrups! Way to go Chloe, you sure make us proud of all your hard work!

*Class Sponsors Needed...* We are seeking people to sponsor classes in our upcoming Foxfield Summer Show. Sponsorships are \$25 per class. This is truly a special way to honor a loved one or a pet. We will announce it for you! Please contact the office for more info.

*Congratulation...* **Mallory Hames** completed vet school and is now a Doctor of Veterinary Medicine! We are so proud of you Mallory of all your hard work and commitment. Whoever you decide to work for is sure lucky!

*With Gratitude...* To **Susie Postel**, for always taking great care of the school horses. She lunges, turns out, and even walks the horses on the days they do not get ridden. This is what true horsemanship looks like.

## Drill News

*Pony Round-Up...* The drill team had a treasured and memorable weekend up at the ranch. The kids got to go on lots of trail rides, and play with the quad! There were s'mores and watermelon, and the neighbors all came down to visit for lunch! The ranch was so green this year, the rain and cold weather was on full display all weekend, but that didn't stop the kids from having a blast! The girls really got to bond as a team and truly enjoyed the horses and the beauty of the land. Of course this wasn't possible without a little help... A big thank you to **Janie Postel, Trish Rasmussen, Kaje Laine, Bev Christian, Sophia and Mike Helm, and Gia Moody** for driving the kids up to the ranch, and the parents brought up some yummy snacks for the kids too!

**Billy Postel**— The drill team would like to thank you for everything that you do for the team. Thank you for getting the ranch ready for everyone, setting up tables and tents for shade, bringing out the rowboat, quad, and Kubota's for the kids to explore, keeping the fire going for s'mores, hauling the precious ponies home, and staying at Foxfield until everyone was back. You are so appreciated and we couldn't have done it without you!

Kindly respect Foxfield's dress code. Shorts & open-toe shoes are NOT acceptable riding attire, and please, no tank tops.

Snakes are a fact of life. Be aware of where you are walking, and if you spot a snake, let someone in authority know. **Rattlesnakes are evolving, and some young ones don't have rattles!**

## Attention

Starting June 1<sup>st</sup>, all stall doors that are left open will receive a \$50 charge added to your monthly statement. The barns are being ruined by horses chewing on the wood. Please be respectful of this rule and of beautiful Foxfield.
