## Barn News

*"Eggstra" Helpers Needed...*Volunteers are needed to donate stuffed eggs and to help hide eggs for our **53<sup>th</sup> Annual Easter Egg Hunt** (Sat., April 10<sup>th</sup>). Call the office if you're "hoppy" to help.

*What Time Is It?...*It's time to worm your horses. Please make sure you record when you worm. Not keeping current can lead to issues like colic if not administered on time. **CAUTION:** Be very careful when worming - **as little as 1/4 of a teaspoon can poison a dog.**

*Please Remember...*If you would like your horse show results included in the monthly Hoofprints, please email all results to Shelly at [ride@foxfield.com](mailto:ride@foxfield.com). It really makes Hoofprints easier if Shelly doesn't have to investigate all results every month.

*Winter Blankets...*As the weather starts to warm up, please remember to take your winter blankets home. Blanketing service ends on March 31<sup>st</sup>.

*Summer Work...*We are able to have summer camp this year at a lesser capacity. If anyone is interested in being a counselor and are over the age of 18 please inquire with Shelly.

*'Tis the Season...Rattlesnake and Tick  
Season*

Warm weather brings out the snakes. Be careful where you step, especially around feed barrels and rocks. If you find a snake, be sure to let someone in authority know.

It is the time of year for ticks; check your horse thoroughly for ticks. To remove them, use tweezers to gently and firmly pull the head free.
